GOVERNMENT’S MOTION FOR IN CAMERA REVIEW

The United States of America, by and through its undersigned Assistant United States Attorneys, asks the Court to review *in camera* the United States’ Motion to Empanel Grand Jury Three and the Court’s Order Empaneling Grand Jury Number Three. Both are sealed court records. Because their contents relate to grand jury characteristics discussed at length during the hearing of Defendant’s Motion to Dismiss for Grand Jury Bias (Dkt. No. 161), the United States submits they are relevant and will assist the Court in its deliberation.

Respectfully submitted,

ADAIR F. BOROUGHS
UNITED STATES ATTORNEY
